

In partnership with

Make your voice heard on health

Come along to a planning day for patients and the public to see how you can get involved

On: Monday March 1st, 10am-3pm

At: Cedars Inn, Barnstaple

Northern Devon Healthcare NHS Trust is committed to ensuring that patient experience is at the heart of everything it does. The aim of this day is for patients, carers and professionals to work alongside each other to find the most effective way of making this happen.

Do you have:

- ideas for making patient and public participation effective?
- an ability to see 'the big picture'?
- the time to share and develop your ideas with others?

This day will not address specific issues or current concerns, but will focus on how participation could work better. By the end of the day we hope to have agreed a way forward and put plans in place to ensure this happens.

Refreshments and lunch will be provided

If you are able to join us please contact Jenny Jacobs, Patient and Public Involvement Manager by email jenny.jacobs@ndevon.swest.nhs.uk, or phone 01271 311688 to book a place. Places are limited so please book early.
