

**Endoscopy Suite - 'Friends and Family Test' - Dec-15 to Jan-16**

*We would like you to think about your experience in the ward where you spent the most time during this stay. How likely are you to recommend our ward to friends and family if they needed similar care or treatment? Response options: Extremely likely, Likely, Neither likely nor unlikely, Unlikely, Extremely unlikely, Don't know.*

**Quantitative Results**

The Friends and Family Test (FFT) score is calculated as outlined in the NHS England guidance.

The calculation is as follows:

'Would recommend' percentage is calculated as follows:

$$\frac{\text{Extremely likely} + \text{Likely}}{\text{Extremely likely} + \text{Likely} + \text{Neither likely nor unlikely} + \text{Unlikely} + \text{Extremely unlikely} + \text{Don't know}} \times 100$$

'Would not recommend' percentage is calculated as follows:

$$\frac{\text{Extremely unlikely} + \text{unlikely}}{\text{Extremely likely} + \text{Likely} + \text{Neither likely nor unlikely} + \text{Unlikely} + \text{Extremely unlikely} + \text{Don't know}} \times 100$$

**The Trust's target score is 75%.**
