

The drop-ins are moving...

Have your say on the future of healthcare in Torrington

We are running a series of drop-in sessions as we continue to seek ideas from local people about how we can best use Torrington Community Hospital in the long term.

The sessions will be held every Friday until the end of November, alternating between the hospital and surrounding communities. Sessions are by appointment-only and you can book a place by calling the hospital on 01805 622 208 between 9am and 12noon, Monday to Friday or by calling in to the hospital during these hours.

GPs, local healthcare managers and clinicians will be on hand at the sessions to explain all about the model of care we will test in the Torrington area that focuses on supporting people to live safely and independently in their own homes.

Keep an eye out for information in the local press or on the Torrington Community Cares website: www.torringtoncares.co.uk
