

**Bladder & Bowel Care Service (Paediatric) - 'Friends and Family Test' - Feb-16 to May-16**

Friends and Family Test question: **Would you tell your friends that this is a good service to come to?**

Response options: **Yes; Maybe; No; Don't know**

**Quantitative Results**

The Friends and Family Test score is calculated as outlined in the NHS England guidance issued in Oct-14. The calculation is as follows:

'Would recommend' percentage is calculated as follows:

$$\frac{\text{Yes}}{\text{Yes} + \text{Maybe} + \text{No} + \text{Don't know}} \times 100$$

'Would not recommend' percentage is calculated as follows:

$$\frac{\text{No}}{\text{Yes} + \text{Maybe} + \text{No} + \text{Don't know}} \times 100$$

The Trust's target score is 75%.
