

Friends and Family Test

Northern Devon Healthcare
NHS Trust

April 2018 - March 2019

Acute Inpatient & A&E (combined)

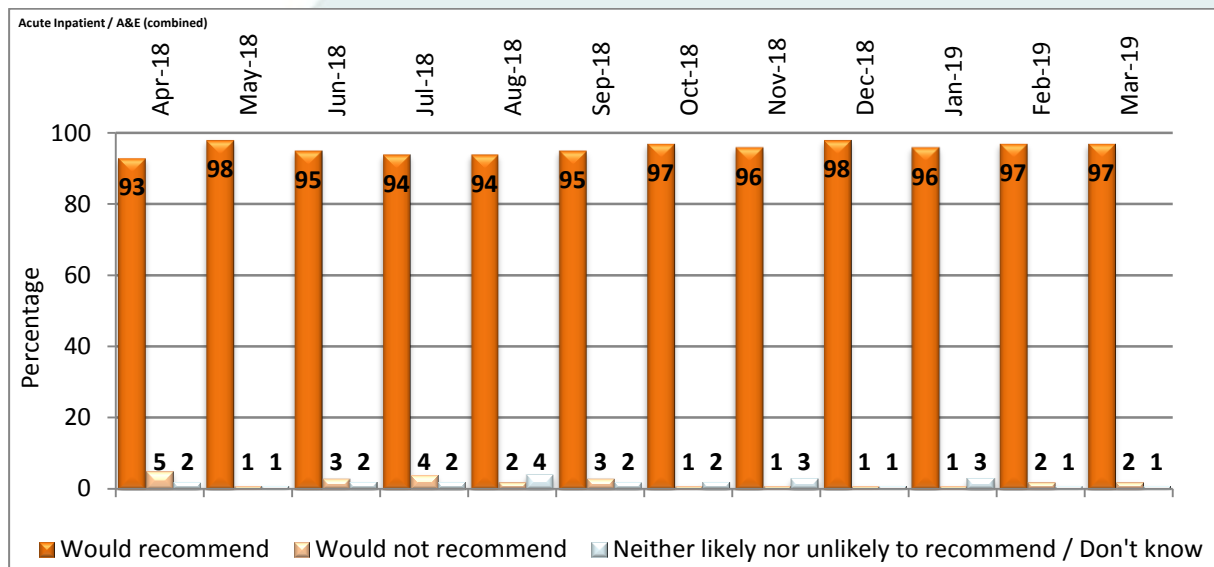

North Devon District Hospital

How likely are you to recommend our ward / A&E department to friends and family if they needed similar care or treatment?

Darryn Allcorn, chief nurse, said: 'After discharge, patients are given the opportunity to tell us whether they would recommend the care provided to friends and family. Thank you for your feedback. We are using it to continually improve our services.'

Friends and Family Test score

The Trust's target 'would recommend' score is 75%

Response rate

The Friends and Family Test scores are based on the following percentage response rates
