

Survivors Alliance North Devon CIC is a not for profit specialist counselling service for ALL adults who have experienced sexual abuse or rape no matter when it happened. We also work with non sexually offending family members.

We are still open for referrals during these difficult times and some people may find that without usual distractions of work etc that unpleasant memories can surface. This can be particularly distressing on top of an already anxious time.

We are currently working over the phone or Skype/Zoom to offer our counselling service. We can offer up to 15 sessions.

Please call us on **07763 617693** and leave a message with your name and number and I will return your call.

Take good care of yourselves
