Staff Temperature Record and COVID –19 Symptom Check

Name _____

Dept _____

Due to COVID-19 all staff are encouraged to monitor their symptoms and temperature prior to working within the Trust.

There will be temperature stations across the organisation for you to access. If you have a temperature of 37.8°C or above and score under 3 on the symptom risk assessment table below. You can continue to work but must have a COVID swab. This can be arranged by contacting the testing Cell on 01271 314004.

If you score 3 or above in the symptom risk assessment

Symptom	Score	you must not work and should arrange for a COVID swab through the Swabbing cell by contacting 01271 314004.
Productive Cough	3	
Loss of smell or taste	3	
Muscle Aches	2	
Dry Cough	1	
Fever of 37.8°C or above	1	
Extreme Tiredness	1	
Headache	1	
Eye Pain	1	
Generally Unwell	1	
Any other new symptoms	1
