

Data Protection Impact Assessment

Reference:	DPIA004
DPIA title:	Touch-screen self check-in kiosk system
Summary:	Similar to systems in local GP surgeries, patients attending Physio dept. will have opportunity to self check-in by answering questions (DOB and first letter of surname) into a stand-alone kiosk. This kiosk is connected to TrakCare clinic data and will flag up the patient as being present for the appointment.
Date of approval:	18/09/2018
