

Friends and Family Test - Children's Outpatients (video call) - Oct-21

Thinking about your outpatient appointment... Overall, how was your experience of our service?

Response options: Very good, Good, Neither good nor poor, Poor, Very poor, Don't know

Friends and Family Test score

The Friends and Family Test score is calculated as outlined in the NHS England and NHS Improvement guidance.

'Positive' percentage is calculated as follows:

$$\frac{\text{Very good} + \text{Good}}{\text{Very good} + \text{Good} + \text{Neither good nor poor} + \text{Poor} + \text{Very poor} + \text{Don't know}} \times 100$$

'Negative' percentage is calculated as follows:

$$\frac{\text{Poor} + \text{Very poor}}{\text{Very good} + \text{Good} + \text{Neither good nor poor} + \text{Poor} + \text{Very poor} + \text{Don't know}} \times 100$$

The Trust's target 'Positive' score is 75%

Month	Responses No.	Positive %	Negative %	Neither good nor poor / Don't know %
Oct-21	1	100	0.0	0.0

Patient feedback

	Feedback from	Friends and Family Test response	Please can you tell us why you gave your answer?	Please tell us about anything that we could have done better.	Patient request for anonymised comments not to be made public
1	Relative of patient	Very good	A very useful multi-disciplinary appointment which gave me the reassurance I needed for my son's transition to adult services. Lovely to be able to do the appointment via video as my son is unwell at the moment so we would have had to cancel otherwise.
