NORTHERN DEVON HEALTHCARE TRUST (NDHT)
PUBLIC PARKING SEASON TICKET TERMS AND CONDITIONS

General Information

Members of the public who are in need of regular treatment for long term conditions are entitled to apply for a season ticket for car parking, for which there is a charge. These season tickets will be allocated where exceptional circumstances can be demonstrated.

Season Ticket

In order to be able to acquire a season ticket an application must be submitted to the Facilities Department which is fully completed.

The season ticket will consist of 25 tickets which allows parking all day for 80p a ticket. The minimum number of tickets to be purchased at any one time is 25 and these must be purchased in advance. The season ticket covers a calendar year.

The season ticket is not transferable.

Cheques must be payable to Northern Devon Healthcare Trust.

Conditions of use of the Season Ticket

1. Anyone wishing to redeem the season ticket against a 'free exit' barrier ticket must first produce the season ticket issued by the Trust, including proof of identity.
2. A valid permit will entitle the holder to park in the public car park areas of NDHT in accordance with the NDHT Car Parking Policy. Holding a valid permit DOES NOT guarantee a parking space.
3. Any vehicle parked in a restricted area (grass verge, double yellow lines, disabled bays and pavements, emergency vehicle access areas, ambulance bays, fire access, no parking areas etc) will be issued with a Fixed Penalty Notice and may be the subject of a wheel clamp.
4. If your season ticket is lost or stolen the Facilities Department must be notified immediately. A new permit will be issued. This will incur a further fee for a new season ticket.
5. Only one season ticket will be issued to each applicant.
6. No 'free exit tickets' will be issued without the production of the season ticket.
7. All vehicles brought on site are done so entirely at the owner's risk. Sodexo or NDHT do not accept any responsibility or liability for loss or damage howsoever caused.
8. Drivers must move their vehicle promptly as directed by Sodexo Car Parking Management.
9. There is no opportunity for a refund of the car parking remaining on the season ticket under any circumstances.

FALSE DECLARATIONS OR NON COMPLIANCE WILL RESULT IN THE SEASON TICKET BEING WITHDRAWN.
